To Whom It May Concern at the Co-Operative Program at UFV-

It is my pleasure to be able to provide a reference for Caitlin Garfias Chan. Caitlin was a participant in our YMCA YouthBeat Employment Program from November 2 2020 to December 4 2020. Caitlin successfully completed our 5 week Employment Program.

Caitlin brought enthusiasm and positivity to the group. She was kind and respectful to Facilitators as well as participants.

Caitlin had perfect attendance for the program, as well as meeting every deadline that was set for deliverables; like assessments, goals, resume, cover letter, as well as completion of certificates.

I feel that Caitlin will be an asset to whatever opportunity she connects with.

If you have any further questions, please feel free to contact me. All of my contact information is included.
